

Swiss-Agility-Cup

Regulations

In general

- The Swiss-Agility-Cup is carried out after the Swiss regulation.
- The qualification run is an Open, that is
 - All Classes (class A – class 3) finish the same course.
 - There is a ranking list per category (Small, Medium, Large)
 - The degree of difficulty for the qualification run will leave to the judge
- Every team can qualify for the final
- In every tournament day becomes the qualification run for final evaluated. On the last day there is no more qualification run.
- The qualification run is either an Agility run or a Jumping run.
- For the whole ranking list the results of the qualification runs are brought together.
- On the last tournament day takes place final.

Whole ranking list

- The two best Agility qualification runs and the best Jumping qualification run are valued for the evaluation of the whole ranking list.
- For the evaluation, rank points will award:
 - 1st rank = 1 point, 2nd rank = 2 points, 3rd rank = 3 points, etc.
 - Not classified = 888 points
 - Elimination (disqualification) = 999 points

Qualification

- Sunday, Tuesday and Friday, the qualification run is an Agility run.
- Monday and Thursday the qualification run is a Jumping run.
- The winners of each qualification run are final star-entitled directly for the final. Also second-placed in the category large.
- If a team qualifies twice directly, the first direct qualification counts for final.
- Direct-qualified teams do not count any more for the evaluation of the whole ranking list
- If a team qualifies twice directly, the next team from the whole ranking list slides after

Swiss-Agility-Cup

Regulations
